

**Silo Ice Climbing
Liability Release Agreement**

In consideration of my being permitted to climb on the Leymaster Property, Cedar Falls, Iowa, I agree to the terms and conditions of this agreement.

I ACCEPT AND CLEARLY UNDERSTAND THAT THERE ARE INHERENT DANGERS AND OTHER RISKS INVOLVED IN THE SPORT OF ICE CLIMBING, INCLUDING THE RISK OF PERSONAL INJURIES, INCLUDING PARALYSIS AND DEATH.

I understand the hazards of climbing (including rappelling off cliffs), include, by way of example and not limitation, the following: falling because of improperly placed gear, faulty gear, loose or crumbling rock, fracture of ice, or climbs that are not properly protectible; falling because of improperly tied knots or tie-ins, improper rope technique, improperly buckled harnesses; ice fall, rock fall or other falling debris; falling onto a ledge or other protrusion. I understand that rescues attempts may not be available if I hurt myself, and that even if available, rescue attempts may fail or be slow. I understand that there are more hazards than are enumerated here and that there are unknown and unforeseeable hazards.

I ENGAGE IN THE SPORT OF ICE CLIMBING WITH FULL KNOWLEDGE OF THE INHERENT RISKS OF INJURY, PARALYSIS OR DEATH THAT MAY RESULT. I AGREE TO CLIMB AT MY OWN RISK.

I therefore, for myself, my heirs, successors and representatives, hereby KNOWLEDGLY AND INTENTIONALLY WAIVE AND RELEASE FROM LIABILITY AND AGREE TO INDEMNIFY, HOLD HARMLESS AND DEFEND the Leymaster Family and Leymaster associated companies, their employees, agents, estates and guests from any and all liability for any and all such damage, injury, paralysis, or death to myself or to any other person or property. I explicitly agree that this release and indemnification extends to harm resulting from NEGLIGENCE of parties released or any party, released, as well as RECKLESS failure of a party released to guard or warn against known dangerous structures. The intent of the provision of this release pertaining to reckless failure to guard or warn against known dangerous structures is explicitly to fill a gap that may exist in the IOWA PUBLIC USE OF PRIVATE LANDS AND WATERS LEGISLATION (CHAPTER 461C) because I wish to exonerate the Leymaster Family and Companies and other parties released from liability.
